

## Career Counselling at Narbheram Hansraj English School

Narbheram Hansraj English School organised career counseling sessions for the students of XI & XII on different areas like engineering, medical, law, hotel management, animation and careers in merchant navy and air force. In this session students were exposed to different career options and a wide range of opportunities available to them. The students were provided important tips on how to achieve their goals.

On September 24<sup>th</sup>, Udit Sarkar, a renowned lawyer of the city was invited to address the students regarding opportunities in the field of law. It was an informative session. He spoke about different legal areas like cyber law, criminal law, corporate law and international law. This was followed by an interactive session with the students.
